## Environmental and Financial Benefits Report

onlineformsonline.com

Lumatech Corporation is dedicated to improving our overall environmental stewardship. As part of our ongoing program to reduce our overall carbon footprint, we have implemented the use of onlineformsonline.com form systems. This has helped improve the environment and increased our equivalent financial savings both for ourselves and for those we serve by \$6. Lumatech Corporation will continue to improve our savings and stewardship through further use of onlineformsonline.com.
